Item 2. Except as otherwise provided in this section, the appropriations to the Wildlife Resources Agency under Section 1, Title III-6, shall be paid out of the special fund established under Tennessee Code Annotated, Title 70, Chapter 1, Part 4 and Section 69-10-203. Such appropriations shall be expended under the provisions of Tennessee Code Annotated, Title 4, Chapter 3, Part 10 and Title 9, Chapter 4, Part 51, and shall be used only for the expenses of the Wildlife Resources Agency pursuant to Tennessee Code Annotated, Title 70 and Title 69, Chapter 10, Part 2, and no part of the unexpended fund left at the end of the

fiscal year shall be used for any other purpose but shall be carried over in said fund and may be expended during the next year, and all of said fees and revenues provided by Tennessee Code Annotated, Title 70 and Title 69, Chapter 10, Part 2, are herein specifically apportioned and appropriated to the use and for the benefit of the Wildlife Resources Agency to be expended under the provisions of Tennessee Code Annotated, Title 4, Chapter 3, Part 10 and Title 9, Chapter 4, Part 51. Nothing in this item shall be construed as relieving the Wildlife Resources Agency of the duty of policing littering of lakes and streams.

Item 3. The appropriation to the State Board of Law Examiners in Section 1, Title II, Item 13, shall be from funds generated by fees collected by the board under the provisions of Tennessee Code Annotated, Title 23, Chapter 1.

In case the appropriation to the board shall prove inadequate to allow the board to function efficiently, the Commissioner of Finance and Administration may make an additional allotment thereto from the general fund, the total of all allotments to the board not to exceed the revenues paid into the treasury by the board.

Item 4. The appropriation to the Department of Financial Institutions in Section 1, Title III-12, shall be derived from banking fees assessed pursuant to Tennessee Code Annotated, Title 45, Chapter 1, Part 1. No part of the unexpended fees left at the end of the fiscal year shall revert to the general fund.

DEPARTMENTAL REVENUES

SECTION 4. All departmental revenue of every kind, as hereinafter defined, collected by any department, institution, office, or agency, in the course of its operations, for its own use, are hereby appropriated to it in addition to the specific appropriations made by this act, unless otherwise provided in this act or other provision of law. Federal aid funds granted to the state for the use of or to be administered by any department, institution, or agency, are likewise appropriated. For the purpose of this section "departmental revenues" are defined as (1) earnings or charges for goods or services; (2) donations, contributions or participation by political subdivisions, foundations, corporations, firms or persons. State revenues, in contradistinction to departmental revenues, are the proceeds of taxes, licenses, fees, fines, forfeiture or other imposts laid specifically by law.

Notwithstanding any provision of the previous paragraph, the Department of Health shall deposit all funds generated by fees or taxes collected by such entity in the general fund of the state. Any appropriations for the operation of such entity shall be subject to allotment by the Commissioner of Finance and Administration, and no expenditure shall be made by any such entity out of fees or taxes collected by it, unless and until such allotments have been made by the Commissioner of Finance and Administration. Such allotments for the operation of such entity as are made by the Commissioner of Finance and Administration shall be disbursed under the provisions of Tennessee Code Annotated, Title 4, Chapter 3, Part 10 and Title 9, Chapter 4, Part 51.

The departmental revenues and federal aid funds appropriated under this act shall include the amounts hereinafter set out:

The organization must have experience with general health outreach and education activities for males in Tennessee, including activities for the general population and the underserved living in Tennessee.

Item 13. In addition to any other funds appropriated by the provisions of this act, there is appropriated a sum sufficient not to exceed \$655,000 to the Davidson County Drug Court for the sole purpose of continuing operations and services. This appropriation shall be non-recurring and is subject to the availability of funds in the fiscal year ending June 30, 2004. In addition to any other funds appropriated by the provisions of this act, there is appropriated the sum of \$9,200,000 for the sole purpose of restoring the reductions made to higher education institutions. It is the intent of the General Assembly that \$2,800,000 be recurring and \$6,400,000 be non-recurring. It is the intent of the General Assembly that the restoration be made in a manner that offsets the reductions made to each individual institution. This appropriation shall take effect July 1, 2004, the public welfare requiring it.

Item 17. The Tennessee Higher Education Commission is directed to review and report to the Governor, Speaker of the Senate and Speaker of the House of Representatives on private fundraising capabilities, potential and effort of Tennessee's institutions of public higher education. Such review shall include matters deemed relevant including, but not limited to, comparisons of the results of such activities between Tennessee public institutions and comparisons of Tennessee institutions to peer institutions in other states. The review shall specifically examine how private fundraising could be used to support both

capital and program improvements, with a focus on improving those academic programs that define the unique qualities of each institution. The review shall include a systematic effort to assess both individual and business needs in their communities for which there might be support beyond that for scholarships. The review shall prepare examples of fundraising plans for each type of institution of higher education. All appropriations except those made by acts authorizing bond issues and expenditures thereof and those excepted from obligations and expenditure hereinabove, though made by other statutes, shall likewise be obligated and expended under the provisions of Tennessee Code Annotated, Title 4, Chapter 3, Part 10 and Title 9, Chapter 4, Part 51.

SECTION 15.

Item 1. No part of the fund appropriated to any department, office, instrumentality, or agency of the state government shall be expended in any other such entity, but if the head of any department, office, commission or instrumentality of the state government finds that there is a surplus in any classification, division, or unit under such entity, and a deficiency in any other division, unit or classification, then in that event the head of such department, office, commission or instrumentality of the state government may transfer such portion of such funds as may be necessary for the one division, unit or classification where the surplus exists to the other, except as otherwise provided herein, provided such transfer is approved by the Commissioner of Finance and Administration. Such transfer of funds pursuant to this item shall be subject to the approval of a majority of a committee composed of the Speaker of the Senate, the Speaker of the House and the Comptroller of the Treasury.

Item 2. The Commissioner of Finance and Administration may establish in any department, office, commission or instrumentality of the state government a clearing account through which all salaries and wages, including the state's portion of retirement, insurance, social security, etc., may be disbursed. In the event such accounts are established, department records shall be maintained showing the distribution of such amounts among the various appropriation codes,

and any financial reports shall present expenditures as if such expenditures had been made through the individual appropriation accounts.

Item 3. The Commissioner of Finance and Administration shall have power and authority to refuse, with the approval of the Governor, to approve or honor any and all requisitions for purchases, except requisitions for purchases authorized by the Legislative Branch, including the Secretary of State, Comptroller of the Treasury and State Treasurer, and the Judiciary, including the Attorney General and Reporter. In case any division or function of government for which an appropriation is provided in this act or otherwise, shall be transferred from an existing department, to any other department, such transfer shall automatically result in the appropriation for such transferred division or function becoming available to the department to which such transfer is made for the purposes of such transferred division or function.

Item 4. From the appropriations made to the various state departments and agencies under this act, and other general acts appropriating money, there may be paid any expenses incurred by said departments and agencies for the purpose of conducting and serving as host for regional or national conferences of which such departments or agencies may be members. Before any funds shall be expended under this authorization, the amount and purpose of the proposed expenditure shall be approved by the Commissioner of Finance and Administration.

Item 5. Notwithstanding any provision of law to the contrary, no state department or agency in the Executive Branch of state government is authorized to make organizational changes within such department or agency without the prior approval of the Commissioner of Finance and Administration. Where such organizational changes require a transfer of funds between organizational accounts and are contrary to the manner in which appropriations have been made herein, approval of said transfers is subject to approval by the Commissioner of Finance and Administration and by a majority of a committee composed of the Speaker of the Senate, the Speaker of the House and the Comptroller of the Treasury.

Item 6. The Commissioner of Finance and Administration is authorized to draw-down disputed federal funds and to reserve the funds to prevent their expenditure until the dispute is settled; and the Commissioner of Finance and Administration in consultation with the State Treasurer is authorized to allocate interest earnings on the draw-down of disputed federal funds and to pay interest earnings to the federal government in those instances when expenditures are ultimately disallowed.

Item 7. The Commissioner of Finance and Administration is authorized to impose a reasonable real estate transaction fee on all real estate transactions when the transaction is processed through the Department of Finance and Administration. Said fee structure shall be subject to approval by the State Building Commission.

Subject to the approval of the State Building Commission, there is hereby appropriated a sum sufficient to replace any real estate transaction fees that are waived.

Item 8. The Commissioner of Finance and Administration and the State Treasurer, with approval of the State Comptroller, shall develop and implement a policy to recover state funds and the state's costs associated with checks,

warrants, drafts, and electronic funds transfers deposited to a state account that are subsequently returned unpaid by the drawer's bank.

Item 9. The Commissioner of Finance and Administration is authorized to maintain an indirect cost recovery plan to recognize overhead costs associated with the operations of the Tennessee Regulatory Authority, Wildlife Resources Agency, Department of Financial Institutions, Housing Development Agency and the regulatory boards and commissions not under the administration of the Department of Commerce and Insurance or the Department of Health. The Commissioner is further authorized to charge the departments and agencies covered by the indirect cost recovery plan for their individual overhead costs.

Item 10. The Commissioner of Finance and Administration is authorized to establish a state regulatory fee not to exceed \$5.00 for one year and \$10.00 for two years. The fee shall be in lieu of any allocation of indirect costs which would otherwise be allocated to the regulatory boards covered by the provisions of Tennessee Code Annotated, Section 4-3-1011(b)(2).

Item 11. If any appropriation in this act fails to designate a department or agency of state government to be responsible for the administration of the appropriation, then the Commissioner of Finance and Administration is hereby directed to designate the state department or agency to administer the appropriation.

Unless otherwise directed by language in this act, appropriation grants to agencies outside of state government shall be administered in such manner as the Commissioner of Finance and Administration shall determine. The Commissioner of Personnel in consultation with the Commissioner of Finance and Administration shall designate and classify position(s) within each agency of the Executive Branch of state government as chief fiscal officer(s) for that agency. Qualifications and appointments to fill existing or future vacancies shall be in accordance with procedures established by the Commissioner of Personnel with the approval of the Commissioner of Finance and Administration.

Item 13. From the appropriations made in this act to pay the salaries of state employees who are hired on or after July 1, 2004, the Commissioner of Finance and Administration is authorized to require that those salaries be paid through direct-deposit procedures.

Item 14. Item 15. The Commissioner of Finance and Administration is hereby authorized to adjust departmental revenue and related expenditures to recognize (a) the carry-over of federal funds and other departmental revenues that were budgeted and allotted but unexpended or unobligated at June 30; (b) an increase

in the federal rate of reimbursement or match in federal programs so that there is less state expense or the additional federal funds are available to meet increasing costs without improving programs; and (c) an unexpected increase in federal grant funds so that there is less state expense or the additional federal funds are available to meet increasing costs without improving programs.

Item 16. The Commissioner of Finance and Administration is hereby authorized to adjust the estimates of federal block grant funds and other federal grant-in-aid funds estimated in Section 4 and Section 31 of this act to reflect the actual allocations of federal revenues made available to the State of Tennessee by the federal government.

Item 1. Each department, division or agency for the benefit of which an appropriation is made herein and which participates in the Consolidated Retirement System, shall pay from such appropriation monthly such sums as may be due such Consolidated Retirement System as the state's contribution from such department, division or agency.

Item 2. The appropriation in Section 1, Title III-21, to the Consolidated Retirement System of the State of Tennessee in the amount of \$9,000,000 is for retirement contribution for certain county officials and county judges. Such transfers shall be limited to the appropriations made for judicial and administrative officials of county governments, provided, however, that the State Treasurer, with the approval of the Commissioner of Finance and Administration, shall have authority to consolidate the assets of the retirement plans for elected and appointed officials for accounting and funding purposes. Such consolidations shall be limited to retirement plans with common employers.

Item 5. Whenever any law relating to retirement matters is passed by the General Assembly which does not affirmatively state that it has application to participating political subdivisions and it is subsequently determined by the retirement division that such act or provision thereof mandates increased liability to a participating political subdivision within the meaning of Article II, Section 24, of the Tennessee Constitution, compliance with the provisions of such act or acts shall be optional to the political subdivision. Upon discovery by the retirement division that an enactment increases liabilities to the local governments, notice of

the effect of such enactment shall be given to the governing body by the retirement division within a reasonable time after discovery. The governing body of each political subdivision shall upon notification of the effect of the law, advise the retirement division of its desire to be covered by the provisions of the act within four (4) months of the date of notice. All participating political subdivisions which do not elect to be covered by the provisions of the enactment shall be excluded from the provisions thereof.

SECTION 17.

Item 1. From the appropriations made herein, the various departments, agencies, boards and commissions of state government shall pay on behalf of each participating employee within the respective departments, agencies, boards and commissions, not less than eighty percent (80%) of the cost of each individual's participation in the basic group medical insurance program and one hundred percent (100%) of the cost of twenty thousand dollars (\$20,000.00) of basic term life insurance coverage and forty thousand dollars (\$40,000.00) of basic special accident insurance coverage for each participating employee; such basic medical, life and accident insurance program to be established pursuant to Tennessee Code Annotated, Title 8, Chapter 27, Part 2.

From the appropriations made by this act, claims for official travel expenses of state employees and members of boards and commissions, notwithstanding any provision of the law to the contrary, shall be subject to the provisions of comprehensive travel regulations as approved by the Attorney General and the Commissioner of Finance and Administration under the provisions of Tennessee Code Annotated, Section 4-3-1008.

SECTION 19. Whenever similar or duplicate appropriations are made in this act to those carried in any other act, such appropriation herein shall not be deemed as a supplemental appropriation, it being the legislative intent that there shall be no overlapping appropriations for equivalent amounts; but if this act simply supplements the appropriations made by the other act, then such supplemental appropriation shall be valid. The same shall apply to similar or duplicate appropriations made solely within this act.

SECTION 20. Notwithstanding the provisions of Tennessee Code Annotated, Title 54, Chapter 2, Part 2, to the contrary, whenever the State of Tennessee has any surplus lands or other surplus real properties which are sold or conveyed during the fiscal year ending June 30, 2005, the proceeds from the sale of such lands or other real property shall be subject to the provisions of Tennessee Code Annotated, Section 12-2-112.

SECTION 21. The Board of Standards, may, if it considers such action in the interest of the state, authorize the Director of Purchasing to negotiate for the purchase of computer programs and associated software systems without following the procedures set out in Tennessee Code Annotated, Title 12, Chapter 3, relative to requisitioning and the receipt of bids. This exception shall not apply to the purchase of computer equipment machinery or associated hardware, but the same shall continue to be acquired in accordance with the procedures set out in Tennessee Code Annotated, Title 12, Chapter 3.

SECTION 22. Notwithstanding the provisions of Tennessee Code Annotated, Title 66, Chapter 29, warrants, drafts, and checks drawn on the State Treasury that have not been redeemed within twelve months of issue date shall be cancelled and written off the state's books with the funds reverting to the fund of issue. Subsequent claims by the payee of said instruments, shall be honored upon receipt of documentation to substantiate the claim. The Commissioner of Finance and Administration and the State Treasurer shall develop a plan to ensure the state's compliance with the unclaimed property law.

SECTION 23.

Item 1. It is hereby declared to be the legislative intent that the Commissioner of Finance and Administration revise the funding recommendations and personnel summaries contained in the Budget Document to conform with this act, other general acts of this Session and any other actions

In addition, the budget as introduced shall indicate the number of positions overlapped on the date of introduction.

In establishing allotments from the appropriations herein made, the Commissioner of Finance and Administration may establish total spending authorizations in the amount of the specific appropriation from state revenues herein made, plus the estimated federal and departmental revenues estimated to be available as presented in the revised funding summaries cited above. In the event federal and departmental revenues for any particular program, appropriation code, or other classification are less than the amount estimated to be available under the allotments then and to that extent the spending authorizations are hereby reduced; to the extent that federal or departmental revenues in excess of the amounts allotted are realized, such excess shall not constitute increased spending authorizations, except under the conditions herein specified.

In establishing the allotments herein authorized, the Commissioner of Finance and Administration shall divide the total spending authorizations by allotment code, into two subdivisions, as follows:

1. Personal Services and Benefits
2. Other Operating Expenses

No state agency shall establish new programs nor expand programs, including any programs involving federal or other funds, beyond the scope of those already established, recognized and approved by the legislature, as reflected in the revised summaries cited above, until the program and the availability of the money is submitted by the Commissioner of Finance and Administration to the Finance, Ways and Means Committee chairmen and until said committee chairmen have acknowledged in writing receipt thereof, to the Commissioner of Finance and Administration. Provided, however, that capital outlay program projects and the availability of funding shall be submitted to the State Building Commission to be acknowledged. When submitted, a copy of operational budget expansion reports shall be provided to the Fiscal Review Committee executive director and the Office of Legislative Budget Analysis director for information purposes.

Selection criteria for project approvals shall be uniform within categories, objective and quantitative, and shall be based on project need, project feasibility, project impact, community need, and, for community livability projects, essentialness.

Project application materials will be supplemented, as appropriate, by site visits and by informed opinions of state agencies knowledgeable about particular projects.

The level of CDBG assistance for individual projects shall be determined by the following factors: (1) the percent of project beneficiaries that have family incomes below the low and moderate income (LMI) levels, (2) a maximum grant and/or loan of \$750,000.00 for individual projects (\$300,000.00 for community livability projects), (3) a maximum grant and/or loan to any applicant of \$750,000.00 in two successive years, and (4) the grantee's ability-to-pay.
